Dear Mr. Jones:

This letter responds to your Freedom of Information Act/Privacy Act (FOI/PA) request letter dated June 27, 2011, addressed to the Drug Enforcement Administration (DEA), Freedom of Information/Privacy Act Unit (SARF), seeking access to DEA records pertaining to the above subject.

After reviewing your request as constituted, we forwarded a copy of your letter to the DEA Office of Forensic Science to request a search of their files related to any publications related to the Microgram Bulletins. They have notified our office that all available bulletins have been posted on the www.dea.gov website. The result of that inquiry was communicated to you via the email address you submitted with your initial request letter. Thus, no further records are available for public disclosure.

With regard to your request for a fee waiver, please be advised that the DEA Fee Waiver Committee convened to consider your request for a waiver of fees. Since all the information that is available is on the DEA website, it was determined that adjudicating your request for a waiver of fees at this point is moot.

If you wish to appeal this response, you may do so within sixty (60) days from the date of this letter pursuant to 28 C.F.R. 16.9. The appeal should be sent to the following address, with the envelope marked "FOIPA Appeal":

U.S. DEPARTMENT OF JUSTICE
OFFICE OF INFORMATION POLICY
NYAV BUILDING, 11TH FLOOR
WASHINGTON, D.C. 20530
